

Performance X POS CITAQ D1

Flexible displays empower more application scenarios

Unlock more possibilities with abundant display choices

15.6" TN / 1366*768, 15.6" IPS / 1920*1080, 11.6" LCD / 1366*768 options for main screen and customer display screen. With richness and high resolution, D1 delivers quality images which can fully realize the visual effects you require.

Concealed & Convenient Design

Interfaces and wires are hidden in the storage compartment, which maintains D1's concise appearance while brings better expansibility.
